

Chapter 9:
Light that Pierces the Depths of the Heart

You will
never
get your
hands on
Samsara-
san!

Then we
have no
choice.

Umm!

And it's
not your
fault
for not
wanting to
resist.

We're just
going to
have to cut
off your
arms and
legs so
you can't
resist
anymore.

What's
going on?

Where
I am?

If only
I could
manage
to let the
others get
away...

If I
tell one
person to
warn my
friends...

...no Fairy
Tail would
thank
me for that!

Once
I have that,
you can have
Wendy!

I want all
the cash
I've saved
in this, and
guarantee
that I won't
be harmed!

S-
Sunder-
son...

After I get
it, you can
buy her, take
her, whatever
you want!

So,
that's all
enough!

How'd you
get all the
money you
have right
now?

But it takes
time I need
the money
after all

Yes,
thanks for
saving me,
Wendy-san

You failed to notice your back was completely unguarded!

You were so distracted by the money

Just kidding!

Aah!

Myah!

...if I
saved them
with the dirty
money I got
through con-
duct!

I don't
think
anyone in
my family
would
have been
happy...

Wendy-
son, I've
opened my
eyes thanks
to you!

GGY

Wendy-
son...

I don't
know why
I didn't
think of it
before...

I can't
run away
leaving you
behind!

I-I
can't!

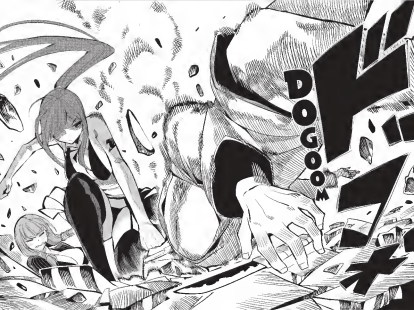

Get
everyone
out of here
while I
hold them
off!

It
can't
last!
Wait!

*So
that was
you?!*

GAWHAAAAA

Gah!

You won't like
what I'll
do to her
if you
move!

Shit
move
back!

And
from

...so
hypnotic
power only
affects me
half-way

My
right
eye is
unaff-
ect-
able...

We'll face
off and find
out who the
best sword-
woman in the
kingdom is!

...none of the
sword fighters
in the diaries
were as weak
as you.

But!

A flock
them all
off once!

We
were able
to capture
them
before!

D-Don't
be scared
of them!
